Prophecies Decoded: Can the Past Reveal Your Future? concludes Saturday. Baptisms are happening across the North American Division as a result of the month long series. At the live site in Nashville, nine individuals were baptized this past week. About 30 more have expressed a desire to do so soon.

Kristin Eldred is baptized by youth pastor, Angel Ogando.

Nashville pastor Fred Fuller baptizes James and Diane.

One person wrote via email that she wanted to be baptized. The internet is adding another dimension to evangelism and outreach. People who contact us via email are real live people too with real spiritual struggles and a desire to reach out to God.

Multiple reports have come from life-long members expressing heart-felt thanks for the depth and clarity of the messages presented. Many are experiencing personal revival, find themselves thoroughly motivated to reach out to others with the Three Angels Messages, and have adopted an extremely positive view of the value of NET evangelism.

Comments from those watching online or via Direct-TV:

“I am grateful for this seminar. I’m learning things I never knew or understood from the Bible.”

“Thank God I found this site!” “I need to get my heart right with God—thank you for this message.”

“I’m a mother of three and work full time 12-hour shifts but I watch as often as I can. I am so happy to understand the Bible better. The messages are a part of my changing relationship with God. Praise the Lord for these truths. They have set me free from my fears of the future.”

A Plan for Spiritual Mentoring by Ron Clouzet can be found in chapter 10 of the NET 2011 manual online at <http://host.propheciesdecoded.com/resources>. He outlines the plan he has found to be most successful and has used himself for many years. It is a plan to assimilate new believers into the fabric of their new Seventh-day Adventist faith and fellowship.

Basic Principles and Objectives

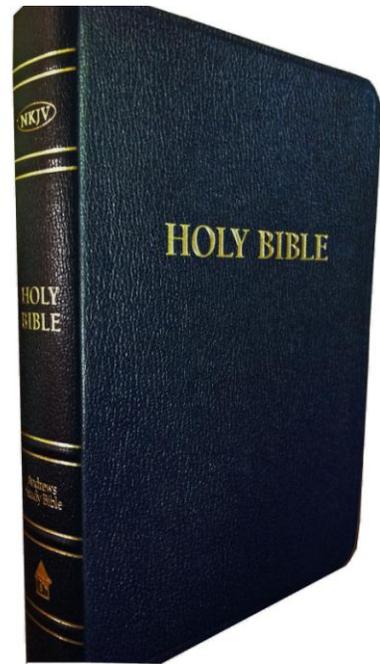

1. The purpose of the Spiritual Mentor is to help the new convert grow in his/her spiritual experience.
2. Associate and befriend other Adventists
3. Become integrated into the mission and subculture of the church.
