*The power of God through His Word,  
coupled with a praying organization,  
will always yield results for the kingdom.*

*--Ron Clouzet*

Pastor Mike McKenzie baptizes Rudy Romero, with Heather Williams looking on.

*"Rejoice with me," said Jesus, "for I have found my sheep which was lost" (Luke 15:6).*

Update of NET 2011 from Ron Clouzet is undeniable evidence that God's Word will not return to Him void (Isa 55:11)

1. At the live site in Nashville, the list of people making decisions kept growing:
  - a. Last week, there were 33 decisions for baptism, 4 of them were baptized
  - b. Last Monday, there were 42 decisions for baptism, 10 of them were baptized
  - c. Last Tuesday, there were 72 decisions for baptism, 12 of them were baptized
  - d. Last night (Wednesday of final week), there were 83 decisions for baptism, 16 of them were baptized
2. In the last two nights, God worked things out so I suddenly had unexpected extra minutes to fill in for broadcast time. This allowed me the opportunity for unplanned calls, producing decisions made by people whom we weren't sure would move forward.
3. The 85 year-old mother of a member had been attending the church for years without ever choosing to join the church. On Tuesday, this gracious Southern belle came forward, only with the help of her cane, to join the remnant church.
4. The 24 year-old son of a member who'd explored history and philosophy to know the answers to life's greatest questions, a careful thinker with a naturally skeptical mind, came forward, overcome by the love of God for his soul.
5. The 40-something woman, harassed her entire life by very sad circumstances, who never thought she could trust anything related to religion again, came forward, seeking baptism in the remnant church.
6. The 50-something former musician and minister in a charismatic church, recently out of a life of desperation, came forward to be baptized. His musician mother, a well-known personality among movers and shakers in the state, will join him by Profession of Faith.
7. The 25 year-old former drug addict who for years was visited by demons, was anointed and prayed for last week for the darkness to leave and never return. Since that day, he has daily repeated his new life slogan: "I belong to Jesus," and his entire face, habits, and demeanor have changed. He will marry his live-in girlfriend and both will join the remnant church.
8. The 60-something evangelical woman, drinking the Bible with relish every night, will join the church. Her therapist told her three days ago: "You are really changing. You are at peace with yourself; you seem happier than ever before."

### **From Hope Channel viewer**

What an awesome seminar series that God has sent to his children (the remnant church) and others who did not know Him at this time when everything in the world seems to be unraveling at a dizzying pace. No SDA church member across the globe, where there is media access, should miss any of these presentations.

The speaker is knowledgeable, humble, charismatic, energetic (without drama), humorous, articulate, etc. In short, this is a gifted and anointed man of God... and he can sing too! Praise be to our omniscient God for knowing exactly how and when to pick the right messenger to accomplish the task at hand. Dr Ron Clouzet did a superb Job. May his ministry continue to reach lost people for the kingdom of our heavenly father. Thank you, Hope TV, for this end of the year gift.
