# Welcome to Secondary Encounter

We are blessed to be able to provide you with curriculum, materials, and resources that allows students the opportunity to make Biblical discoveries, providing a setting for spiritual growth in a faith community, and cultivating an environment where students can develop a relationship with Him. This kit is for your benefit as the spiritual leader of the classroom. We trust that as you open the Bible, pray, and lead in the transformation process that you will have the tools needed for guidance, study, and reflection.
