

Our Father which art in Heaven.

God is special and so is God's name.

When I kneel to pray, I close my eyes and fold my hands,

I say God's name with respect.

I do not shout God's name in anger or in play;

I whisper it in prayer.

Hallowed be Thy Name

A kingdom is a lot of people who love
and serve the same king.

I love God.

He is my King.

I want to be His helper.

I ask Him to help me show love now–today.

What are some things you do for God to show love?

What will you do today?

Write it on this page or draw a picture.

Thy kingdom come
